## **DATE, CHANGES, REMARKS**

February 11, 2016 - Duplicate Supplied Artwork

Feb 18/16- Pdfs out for approval. PB

Feb. 26/16 - Checklist updated as per Mark Parry the white has to be added back. Also Bruce Heywood advised the pictures "look fuzzy" because the PDF's were done in a low resolution file due to size. We need to either do the PDF's in a Hi resolution file or if they are too big for a PDF then we need to advise an FTP site the customer can go to do look at the files. - AMB

Feb29/16- Revised pdfs out for approval. PB

March 4/16 - approval received and contract proofs requested for approval AMB  
mar18th-2 additional contract proofs direct to mark from optimum bh

April 6th - approval received and Contract Proofs received April 7, 2016 - AMB
